**Procedure for tariff application**

1. The list of services provided completely complies with the requirements of the Banking legislation of the Republic of Kazakhstan.
2. To define the rights, obligations and reliability of “Trust-Bank” JSC (hereinafter referred to as “the Bank”) and the Bank client when conducting financial operations, the written agreement on the bank account opening shall be concluded with each client.
3. Telecommunication (postal, telex, telephone) and other expenses of the Bank related to implementation of financial operations and relationship between the Bank and the Customer shall be charged additionally to the amount of their actual cost, unless otherwise determined by the tariffs.
4. If the cost of the Bank's services for executing clients' orders is not determined by these tariffs or the order requires additional work or unusual responsibility, the Bank independently determines the amount of Commission fee based on its own expenses.
5. Commission fee charged for banking or other service are not repaid to the client if it is cancelled by the client.
6. These tariffs may be amended by the decision of the Banks' authorized body.
7. Bank services subject to value added tax (VAT) are marked with “\*”. Relevant tariffs are indicated inclusive VAT.
8. Commission fee set in per cents, shall be calculated based on the amount of operation and conducted for each operation separately.
9. The commission fee is collected at the same time when the banking operation is performed.
10. When calculating the commission fee, the amount of fee received shall be rounded, i.e. the amount less 50 tiyn shall be rounded down, the amount above 50 tiyn shall be rounded up to 1 tenge.
11. In separate cases it is possible to change tariffs for a definite client subject to decision of the collegial body.
12. An operational day shall be understood as the bank working hours from 9 a.m. till 5 p.m. Almaty time.
